HIS WORD TODAY by Rev. William J. Reilly

“O Lord, my God, let the life breath return to the body of this child.’ The Lord heard the prayer of Elijah, the life breath returned to the child’s body and he revived....The woman replied, ‘now indeed I know that you are a man of God. The word of the Lord comes truly from your mouth.’... ‘A great prophet has arisen in our midst’ and ‘God has visited his people.’”

We use many expressions related to our breathing. We ‘run out of breath’, we experience ‘heavy breathing’ and sometimes when surprised ‘lose our breath. CPR is employed to restore a normal breathing process.

We read that Jesus breathed on the apostles, when He gave power to forgive sins. We recall a few weeks ago, the Spirit came upon the church at Pentecost. The first story of creation finds God offering His breath, the ‘ruah Yahweh’ when God gave Adam his living soul.

Today the Word of God reveals two widows, now suffering the loss of their sons. The compassion of the prophet and the concern of Jesus, restores life to the lifeless bodies. Both are returned to their mothers. Did you ever wonder how they related their experience to their mothers, like the popular book of our time.

Jesus continues to restore life through the healing in the sacraments of reconciliation and the anointing of the sick. Both are viable signs of His mercy, offering health, strength and resistance to evil.
