HIS WORD TODAY by Rev. William J. Reilly

“I anointed you king of Israel. I rescued you from the hand of Saul, I gave you the Lord’s house...and if this were not enough, I could count up for you still more. Why have you spurned the Lord and done evil in his sight?...I have been crucified with Christ, yet I live, no longer I, but Christ lives in me.”

We are accustomed to making lists. There is the list of things to do, shopping lists, priorities, Christmas lists, itineraries. They always seem to help us be organized, save energy, and accomplish good. There are also lists of what to avoid, as foods, flowers, medicines.

The book of Samuel finds Nathan speaking for the Lord. The list of anointing, rescuing, and the gift of his house. David should have been appreciative. The prophet then said I could go on and on but I won’t, but want you to think about all the gifts and from whom they come.

The Lord can address us in the same way. Who I am, what I have, and where I’m headed is all gift. I have life, the life of grace, all because of a generous God. My family, work, studies, joy and happiness. All are gifts. With the psalmist I ask myself, after compiling my list ‘what return shall I make to the Lord for all he has done for me?’ The gospel question today ‘Which of them will love him more?’

Dear Parishioners,

You will see a new priest in church this weekend. Father John McNerney, who is from Ireland, will be doing research at The Catholic University of America during this upcoming year. Father could be with us from nine months to a year. While living here he will be celebrating Mass and hearing confessions. When you see him, please give him a Saint Patrick’s welcome.

God bless, Msgr. Sal

Did you know that **June 20** – the first day of summer in 2016 – is **National eGiving Day**?

St. Patrick in the City can take particular joy in this celebration, as the response to eGiving in our church has been wonderful.

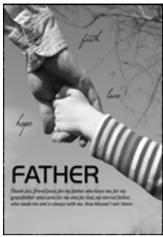

To build on this success, I am setting a National eGiving Day Challenge. My goal is for St. Patrick in the City families to put envelopes on a permanent “summer vacation” and make the switch to eGiving. This is especially important in the summer months, when many families may be out of town some weekends and St. Patrick in the City does not receive their envelopes. It’s easy for people to forget to catch up once they’re back, and our weekly offertory can fluctuate as a result – making it harder to predict how much we will have to sustain our year-round ministries.

The more families who welcome the beginning of summer by taking this National eGiving Day Challenge, the more consistent and predictable our offertory will be month after month – and this will help us do even more to spread Christ’s love throughout the community.

Being part of this challenge is simple: Visit www.faithdirect.net and use our church code: **DC90**.

Thank you for your continued support of our parish family with your time and talents as well as treasure!

God Bless, Msgr. Sal
